About Me

I am Honey Prajapati, a Web Designer currently working at NxtLife Technologies with 6 months of hands-on experience in designing and developing responsive and user-friendly websites. I specialize in HTML, CSS, Bootstrap, Tailwind CSS, and design-to-code conversion, focusing on creating modern and visually appealing web interfaces.

Experience

Nxtlife Technologies ---- Web Designer

- Designed and developed responsive websites using HTML, CSS, Bootstrap, and Tailwind CSS.
- Maintained and updated existing websites with new design improvements.
- Converted Figma and PSD designs into functional web pages.
- Created email templates and landing pages.
- Improved website UI/UX for better user engagement.
